SURGERY CENTER

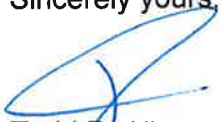

December 22, 2014

To Whom It May Concern,

It is with great pleasure that I offer this letter of recommendation for Terrence Burke and the Wump Mucket Puppets.

Mr. Burke and his cast of characters entertained Cincinnatians of all ages at this year's Fall Feast at the Duke Energy Center held on Thanksgiving Day. By volunteering his time and talents, The Wump Mucket Puppets provided interactive and thoughtful entertainment to those families who joined the community for food and fellowship at Fall Feast, and were a welcome addition to our program and services that day. We look forward to working with Terrence and the Wump Muckets again in the future.

Sincerely yours,

Todd D. Albertz
Director of Surgical Services
Cincinnati Eye Institute
