Dear Terrance,

Thank you so much for bringing the Wump Mucket Puppets and performing at our Community Donation Day & Expo in April. The children and adults thoroughly enjoyed your show. Even so much that other opportunities came out of you participating at this event.

We appreciate you being a part of our Expo and making it such an enjoyable experience. The show is perfect for all ages and we look forward to working with you in the future.

Sincerely,

Glenda Hoagland
Sr. Community Director
